

# Activation Guide

Welcome to MIA Laboratories!

This guide will help you activate your audio plugins, whether you are redeeming a purchased license or starting a 14-day free trial. Please follow the steps below carefully.

## Step 1: Download the Plugin Installer

1. Visit the [product page](#) for the specific plugin you want.
2. Download the installer for your operating system.
3. Run the installer and follow the on-screen instructions to install the plugin.

Note: The installer is the same for trial and full license activation.

## Step 2: Install the iLok License Manager and create a free iLok account

Our plugins use **iLok** for license protection. The iLok License Manager is essential for activating and managing your licenses.

*\* If you already have the iLok License Manager and an active iLok account, you can proceed to the next step.*

1. Go to the [iLok License Manager download page](#).
2. Download and install the iLok License Manager for your operating system.
3. Create a free iLok account, if you do not already have one, [here](#).
4. Open the iLok License Manager and **Sign In** with your credentials.

## Step 3: Activate Your License or Trial

### A. Purchased License Activation

1. Open the iLok License Manager and sign in to your iLok account.
2. Locate the activation code provided with your purchase. You may find it in your order confirmation email or your MIA Laboratories user account.
3. Redeem your activation code:
  - In iLok License Manager, go to **File > Redeem Activation Code**.
  - Enter the code and click **Next**.

4. Select the location where you want to activate the license (e.g., your computer, iLok Cloud or an iLok USB dongle).
5. Click **Activate** to complete the process.

Alternatively, you can open the plugin in your Digital Audio Workstation (DAW) and follow the activation instructions, providing your activation code and the desired location for your license.

### **B. 14-Day Free Trial Activation**

1. Open the plugin in your Digital Audio Workstation (DAW).
2. When prompted, choose **Activate Trial**.
3. Sign in to your iLok account to start the trial period.

Note: The trial license will be linked to your iLok account, so ensure you are signed in to the correct account.

You are ready to enjoy your new tool!
